Here is an updated version of the \$domain website which many of our East European book trade customers have been using for some time now, more or less regularly. We have just introduced certain upgrades and changes which should be interesting for you. Please remember that our website does not replace publisher websites, there would be no point in duplicating the information. Our idea is to present you with tools that might be useful in your work with individual, institutional and corporate customers. Many of the features have been introduced at specific requests from some of you. Others are still at preparatory stage and will be implemented soon.

The Suzuki company doesn't forget those who work in off-road conditions. Utilitarian Suzuki ATVs, with their very torquey engines and impressive loading capacity, will be a great help in any job. These powerful utility vehicles easily deliver even very heavy loads to the most hard-to-reach places, and thanks to the well-thought-out design, they are highly functional and ergonomic.
