The Marketing 80/20 Rule and How to Take Advantage of it ...

Business executives and sales managers frequently bemoan 80/20 performance on their sales teams, where approximately 80 percent of sales are produced by approximately 20 percent of salespeople. Of course, the ratio is not always 80/20. Sometimes it is 75/25, 70/30, 60/40, or even 90/10. However, the situation the ratio describes is always the same: the vast majority of salespeople produce a ...
