The first volume of Black Science was a roller coaster ride I didn't want to end but now that we are into volume 3 it's lost some of that magic. I love the art, it's 100% amazing 100% of the time. I will ride this book out to the end of it's run for the art alone if I have to, but I'm hoping the story comes back around to the awesomeness level ...
