## **U-Turn: The Portuguese Radical Left from Marginality to ...**

Abstract. During the economic crisis, the radical left, especially in countries of the European South, continued its course from marginality to mainstream while social democracy found itself trapped in its previous strategic orientations. This article examines the two political families in a relational and comparative perspective, focusing on the interaction of social democratic and radical left parties that evolved in a series of national cases (Greece, Portugal, Spain and France) and in ...
