While the Civil Rights Act of 1968 forbade explicitly race-based exclusionary zoning, some zoning regulations still implicitly affect certain demographics by pricing out low- and middle-income households. KEY FINDINGS. Land-Use Regulations Limit Supply and Increase Costs. Specific land-use regulations differ in their intents and requirements.

### How Land-Use Regulation Undermines Affordable Housing ...

Overly broad emergency laws and new restrictive legislation. International civil society has documented a number of countries that have declared a state of emergency or passed emergency laws or regulations to combat the virus that grant the state overly broad powers and endanger civic freedoms. International human rights law is clear that any measures introduced must be subject to sufficient oversight by both the legislature and the courts, should not be discriminatory and must be time bound.
