The Hospice Action Network, an NHPCO affiliate and advocacy organization for national hospice and palliative care, is dedicated to preserving and expanding access to hospice and palliative care in America. Our mission is to advocate, with one voice, for policies that ensure the best care for patients and families facing the end of life.

**Advocacy | NHPCO**

KEY PRINCIPLES • Hospice palliative care is active, research-based, medical and supportive care. • A palliative approach to care should be initiated early in the diagnosis of a lifelimiting illness - by a primary care clinician or other treating clinician. • Palliative care is not limited to the last days of a person's life.

**Key Palliative Care Concepts and Terms**

Hospice Provisional Provider. Complimentary until a calendar year of serving patients has elapsed. An organization newly licensed as a hospice by the Arizona Department of Health Services and operating a hospice program consistent with the current Standards and Principles of the National Hospice and Palliative Care Organization.
