development of the Toyota Way in 2001? I asked my friend Mr. Isao Yoshino, a 40-year Toyota leader, this question and he shared his thinking with me (and now you) about why “continuous improvement” and “respect for people” became codified as the two pillars of the “Toyota Way” 15 years ago.

Toyota Leadership Lessons: Part 7 - Insights into how ...

All Toyota employees are never satisfied even with continuous improvement (i.e. kaizen) because, as one group manager asserts, "The customer is a moving target. The customer always wants more." Therefore, each Toyota employee must always want better in what continues to be, throughout the entire Toyota organization, a relentless pursuit of perfection.
