The public spectacle that ensued shattered the illusion of unity between African Americans and  
whites. And since that pivotal 1968 civil rights case entered the courts, the distance between these  
two racial factions has grown. Drawing upon original research in the primary sources, this important  
book tells this story and argues this case with ...

So the grand illusion that death is real is also shattered when we wake from the dream. The truth is

unveiled as the life force running through all things comes to know itself for the first time. Everything created by egoic mind, whether it be war, death, illness, corruption, or wealth are all manifestations of a mind cut off from its true nature.
