To learn from what you understand is still something else. But to act on what you learn is all that really matters, isn't it? 6. Even more important is the standard expressed in the Word of God. There believers are instructed to learn to do that which is right in the sight of the Lord. Such is learned by reading and applying these standards ...

Learning To Lean | Bible.org

This complete summary of the ideas from Robert Steven Kaplan's book "What You Really Need to Lead" shows that leadership qualities are not necessarily found in our DNA. That is, it is possible to learn to be a great leader; leadership isn't restricted to 'important people' or those in a position of power.
