Amazon.com: Customer reviews: Never Say Never: Part 1

Alert: a little spoiler in the review OMG!!!! Let me start by saying I am an "older" reader and while I have a young teenage daughter and these kinds of things go through my head daily hoping what Brad did to her would not happen to my daughter, I was very happy that Amanda seeked help through therapy and was able to move on with her teenage years and found a young man who cared for her very ...

Don't Argue With the Person: It's never a good idea to argue with a person who has dementia. First of all, you can't win. And second, it will probably upset them or even make them angry. I learned a long time ago, when caring for my beloved Romanian soul mate, Ed, the best thing to do is simply change the subject - preferably to something pleasant that will immediately catch their attention.
