### **Society Without God What The**

"Society Without God" offers a unique perspective on the active debate regarding the necessity of religion . . . By turning to one of the most secular societies in the world, Scandanavia, Phil Zuckerman offers an empirically grounded account of a successful society where people are happy and content and help their neighbors without believing in God.

### **Society without God: What the Least Religious Nations Can ...**

Society without God is a social study of how secular societies such as Denmark and Sweden are not only essentially "godless" but thrive as societies. Social scientist Phil Zuckerman does a wonderful job of capturing the cultures of these Scandinavian nations and provides interesting insight on how they have become secular.

### **Society Without God: What the Least Religious Nations Can ...**

Society without God provides a rich portrait of life in a secular society, exploring how a culture without faith copes with death, grapples with the meaning of life, and remains content through everyday ups and downs. This updated edition incorporates new data from recent studies, updated statistics, and a revised Introduction, as well as framing around the now more highly developed field of secular studies.
