The alchemy of desire | Value Research

The tension engendered by polarisation thus creates the very tonality of divine desire through which affinity and assemblage unfold towards their harmonic resolution. Desire is a string stretched between two complements, and the sound of this string is life. To produce a sound, you need a shock to make it vibrate, and this shock is Eroticism.

The Alchemy of Desire — Aaron Cheak

The Alchemy of Desire. The ignorant man asks for material possessions, the intelligent man asks for enlightenment but the wise man just loves and receives everything. We all have desires. In fact wants and then don't wants are regularly popping in and out of our heads.
