One can either take the Bible as the basis for scientific truth or use ever-changing evolutionary assumptions as the foundation for your biblical and scientific knowledge. The Bible-as-base model resolves contradictions and gives concrete answers: the evolution-as-base model is as unsure as building a house on sand. Ken Ham knows this, and wants to provide families and individuals with the ...

Good book for kids who deal with anxiety – the main character is always trying to process her anxiety and I think it would be relatable and good to see themselves reflected in Ava. One word of warning - I was surprised that the book got a bit heavy about 2/3 in, so be prepared to have a conversation about cancer with your kid if theyre reading this.
