The Client Who Changed Me

The Client Who Changed Me is Jeffrey Kottler and Jon Carlson's testimony to the significant and often life-changing ways in which therapists have been changed by their patients. Kottler and Carlson draw not only upon their own extensive experience - between them, they have more than fifty years in the field - but also upon lengthy interviews with dozens of the country's foremost therapists and theorists.

The stories in this book do a wonderful job in challenging the traditional view of psychotherapy wherein the therapist is seen as an "expert" who catalyzes the client's change, yet remains unchanged. Instead, as these stories reveal, effective therapy centers on a reciprocal and human relationship which ultimately touches the lives of both the client and therapist.
