The Man Who Cycled the World is the story not just of that amazing achievement, but of the events that turned Mark Beaumont into the man he is today. From the early years of his free-spirited childhood in the Scottish countryside to present day, he has been equally determined not to settle for an average existence, but to break

Meet the man who cycled the world for 50 years - Telegraph

This is the story about Thomas Stevens who became the first man to cycle around the world on a bicycle.

Even today, a journey of these proportions is a challenge, but making it back in the 1880s with a simple penny-farthing bicycle was even a greater challenge.
